EXTRA-CURRICULAR GUIDE

2017 – 2018

WE HAVE SOMETHING FOR
EVERYONE
GETTING INVOLVED IS FUN!!!

Extracurricular Activities Guide for 2017-2018

Academic Bowl

Contact persons: Mrs. Carrie Pieper; cpieper@plymouth.k12.wi.us
and Mrs. Meredith Herrera; mherrera@plymouth.k12.wi.us

The team is created in January. Meetings are Jan - March; during advisory

The Plymouth High School Academic Bowl is an annual event that began in 2014 when the conference was restructured. This high-energy competition is among the 7 schools in our conference. Each 20-member team is challenged to stretch their knowledge of every topic—science, math, English, history and current events — in a written test and a group question and answer round.

If you have a passion for learning, possess a wide range of knowledge about various (possibly obscure) topics, and can answer quickly, this is the event for you. Entrance to the Academic Bowl team is by teacher recommendation. If you feel you would be an asset to the team, make yourself known to your teachers in the subject you feel you can most contribute!

	Science	Math	English	History
Grade 9	General Science	Algebra 1	Grammar / Spelling	Geography
Grade 10	Biology	Geometry	Short stories / Poetry	World History
Grade 11	Chemistry	Algebra 2	American Literature	US History
Grade 12	Physics	Advanced Math	Brit Lit / Shakespeare	American Government
Any Grade	Current events	Current events	Current Events	Current Events

Acoustic Club

Advisor: Mr. Ramaeker, ramaeker@plymouth.k12.wi.us

Acoustic Club welcomes anyone who plays an acoustic instrument to practice, play and learn new songs and different styles of music. (Acoustic guitar, mandolin, banjo, whistle, ukulele, etc.) During the year we meet on Fridays after school until 3:30 in Mr. Ramaeker's classroom (B227) Although much of the playing time is unstructured "jamming" Acoustic Club brings spirit to the PHS hallways during holidays - playing Christmas music and Irish music on St. Pat's Day.

AFS

Contact Clare Sedlacek, csedlacek@wi.rr.com

See what being an exchange student or a host family is about! There are scholarships available for a variety of experiences, from two-week summer programs to a whole academic year.

PHS will be hosting 8 students this year from Austria, Dominican Republic, Germany, Hungary, Italy, Japan, Spain and Turkey. Check the PHS AFS page on the district website for information: <http://www.plymouth.k12.wi.us/Schools/PHS/afs.html>

If you are interested in doing an exchange year or hosting an AFS student, please contact Clare Sedlacek, csedlacek@wi.rr.com.

Art Club

Advisor: Lisa Keys-Dulmes, lkeys@plymouth.k12.wi.us

Art Club is new this year and in the early stages of development! My hope is that it will evolve into a group of serious artists who gather to discuss, create and maybe sell art. A yearly trip to explore art outside the walls of PHS could be one of our goals. We have an AMAZING group of creative, talented artists here at PHS and hopefully this club will offer those students a place to gather and support each other's passion. We'll meet every other Tuesday from 3:00-4:00.

Baseball

Head Coach: Butch Cain, fcain@plymouth.k12.wi.us

Plymouth High School Baseball is offered for boys in grades 9-12 at PHS. The season runs from May 15th through the third week of July annually. PHS offers both varsity and JV levels for 35-40 strong student athletes that can positively represent themselves, their team, school, and community in a TEAM 1st environment. Positive attitude and character are essential elements to this opportunity.

Contact Coach Butch Cain at 920-334-0801 or fcain@plymouth.k12.wi.us with questions.

Boys Basketball

Contact Head Coach Tim Schultz at tischultz@plymouth.k12.wi.us

or tsschultz@hotmail.com or at 980-0478. Boys Basketball is open to all boys in grades 9-12. Three teams Varsity, JV, and JV2 will be formed. Due to the competitive nature of this sport cuts are made at each level in some years. The season runs from November to March with numerous opportunities to improve offered during the other months of the year.

Girls Basketball

Contact Head Coach Brad Shutter at 912-5482 or bshutter@plymouth.k12.wi.us

Girls Basketball is open to all girls in grades 9-12. Three teams JV 2, JV 1 and Varsity will be formed. Cuts will be made if necessary.

Bowling Club (As of 5/30 - No coach, so possibly no team)

Our Vision: The vision of the PHS Bowling Club will be to provide high school students an opportunity to experience the spirit of the team competition and community pride while participating in a sport they can enjoy for the rest of their lives, and allows any bowler, without regard to race, sex, or physical challenge, an opportunity to participate within a team environment.

Our Mission: Bowling gives students an opportunity to become involved with their high schools, teaches fundamentals for a lifetime sport and helps athletes earn scholarships and bowl in college.

History: Plymouth Bowling Club was established in 2006, by Tyler Russell, Aaron Carreno, and Coach Tony Barber. Since 2006 Plymouth has advanced at least one team to the state competition every year except 2007.

Coaches:

Practices: Practice schedule will be announced by the first full week of September, We will work with all students that participate in other sports and their work schedules. Any unexcused practice will result in non participation of part of that weeks match. Practice times are from 3:30 till 5:00 on Mondays and Thursday of each week. Anchor Lanes in Elkhart Lake is the home of PHS Bowling Club. Parents, siblings, boyfriends, girlfriends are not allowed in the bowling areas during practice, this will be only for the bowler and coaches.

Matches: All matches are played on Saturday afternoons at 1pm. A match normally takes 2 ½ to 3 hours.. The first match of the season is usually around the 2nd week of November and runs until the 2nd week of February, we do skip the holidays. The State Tournament is held the first weekend of March. Students are not allowed to drive themselves to matches

Chess Club

Contact person: Mrs. Carrie Pieper, cpieper@plymouth.k12.wi.us

Club meets: November - April; Wednesdays from 2:45 - 4:30 pm

The purpose of Chess Club is to bring together Plymouth High School students to play, compete in, and enjoy the age old game of chess. Through chess we are able to learn life skills such as discipline, situation analysis, and sportsmanship.

Objectives include:

A-Teaching beginners how to play.

B-Creating a learning environment with students of all levels playing each other.

C-Creating an enjoyable atmosphere.

D-Foster the appreciation of and promote the increased understanding of the game of chess.

Tournament play is available on practice days and on Saturdays from November thru March. The State Chess Tournament is held in March and is available to both varsity and JV players.

Cross Country

Contact person: Jay Grosshuesch, jegrossh@plymouth.k12.wi.us
893-6911, ext. 1580; (C) 920-918-2037

Cross country is a fall sport for both high school girls and boys. The sport involves distance races over grassy fields, golf courses and parks. The race distance is 5 kilometers (3.1 miles). Cross country does not have cuts or a bench—all athletes participate in every meet. Practice began on August 14, but new runners are WELCOME!

Culinary Arts Program

Teachers: Gale Litt & Connie Lund

glitt@plymouth.k12.wi.us and colund@plymouth.k12.wi.us

Enroll in the Culinary Arts program at PHS and participate in a variety of events including a Cake Competition, the Panther Bakeshop, ProStart Events, Food Science projects and In-school Catered events. Find out more about ways to become involved in Culinary Arts by taking either Culinary Arts 1 or 2!

Dance Team

Advisor: Maren Romanoski, marenroma@gmail.com, 920-254-1060

Auditions for JV and Varsity Dance Team are held in the spring for the following school year's team and is open to anyone grades 9 – 12 regardless of previous dance experience. Cuts are possible. During the summer, teams attend dance camp and may participate in area parades. The performance/competition season runs from November through March. Dance Team practices daily and performs during pregame and halftime at boys and girls basketball games. Teams will attend various competitions during the season also.

Drama Department

Contact Person: Janet Newton jnewton@plymouth.k12.wi.us

The PHS Drama Department offers many opportunities for both students who like to perform and students who are interested in learning about backstage crafts. In the fall, PHS participates in the State One-Act Festival and also stages a full length play, and in the spring, both the PHS Drama and Music Departments combine their efforts to produce a full length musical. All students may audition for these productions. The PHS state-of-the-arts performance facility allows directors to produce outstanding professional quality performances. In addition, PHS is home to the Jolly Pranksters, a competitive comic improvisation team that is also a member of the Milwaukee ComedySportz High School League.

Drama Department course offerings for juniors and seniors include a beginning drama class--Drama I, an advanced acting Class--Drama II/III, a Theatre Design and Technology class, and an independent study class in performance or technology. The advanced acting classes usually produce one performance in January and two during the spring semester, produced in conjunction with the Theatre Design and Technology class.

English Tutoring Program

Advisor: Brad Feick, bfeick@plymouth.k12.wi.us

English Tutoring is an opportunity for 10th, 11th, and 12th grade students, who are strong in English, to provide their peers with assistance in writing, reading, and other communication skills. These opportunities vary from a tutor working one-on-one with a student to working with multiple students within a classroom setting. If a student is interested in tutoring, please contact Mrs. Maki, the English tutoring coordinator, in room B209 or speak with his or her current English teacher.

Fast Pitch – Softball (Girls)

Head Coach: TBD

JV Coach: Joe Williams

Softball season starts on Monday, March 17. There are two teams (Varsity and JV). Cuts are possible. Games start around April 1 (weather permitting) and the season goes to the end of May. We have 'open cages' for practice in the off-season (November-March).

Forensics

Head Coach: Megan Hummitzsch - plymouthforensics@gmail.com

Assistant Coaches: Mari Falk - marifalk28@gmail.com and

Thomas Gerleman – wiatty4kids@gmail.com

Forensics is competitive speaking. There are many different categories available ranging from speech categories to acting categories to literature interpretation categories. Forensics is an opportunity for you to improve your speaking and acting abilities. Joining this activity also provides a flexible practice schedule, allowing you to participate in other activities during the forensics season. Practices begin in November and competition runs from January to April. Students who join forensics also have the experience of meeting many people from different schools. Forensics meets are almost always held on Saturdays. Students can choose which meets to attend.

FBLA - Future Business Leaders of America

Advisors: Todd Williams, towilliams@plymouth.k12.wi.us

June Winkel, jawinkel@plymouth.k12.wi.us

FBLA is the largest business career student organization in the world with over 200,000 members. FBLA meetings are held twice a month, generally during advisory. Members participate in conferences and seminars designed to develop business leadership skills, as well as competitive events testing their business knowledge and skills. Top winners from regional and state events are eligible to compete at the National Leadership Conference each summer.

FFA – National FFA Organization

Advisors: Tracy Heinbuch, theinbuch@plymouth.k12.wi.us

FFA is a dynamic youth organization within agricultural education that changes lives and prepares students for premier leadership, personal growth and career success.

FFA was created in 1928 as the Future Farmers of America; the name was changed in 1988 to the National FFA Organization to represent the growing diversity of agriculture.

Today, nearly 650,000 students nationwide are engaged in a wide range of activities, leading to over 300 career opportunities in the agricultural science, food, fiber and natural resource industries. Our goal is to continue to support our community through service projects and grow our members into successful members of our community. Opportunities within this organization include monthly meetings, leadership conferences, state and national convention, scholarships, travel, networking and the list goes on.

Global Education Achievement Certificate (GEAC) and GEAC Club

Advisor: Laura Koebel lkoebel@plymouth.k12.wi.us

Global Education Achievement Certificate (GEAC): participants meet on an individual basis with advisor to discuss completed certificate requirements

GEAC club meeting times: Each month a cultural or informative presentation about a global issue will be offered to help complete the “cultural activities” requirement. Time and date to be determined. Event calendar will be available.

The Global Education Achievement Certificate (GEAC) is for students who have demonstrated a strong interest in global citizenship by successfully completing a global education curriculum and engaging in co-curricular activities and experiences that foster the development of global competencies.

To be recognized as Wisconsin Global Scholars, students need to complete:

Four (4) credits in one world language

Four (4) credits in courses with global content. One of those credits may be one year of a second world language.

Reflections on eight books (fiction or non-fiction) with a global focus. Alternately, up to four reflections may be on art, music, or film.

Participation in cultural activities.

A minimum of twenty (20) hours of global service learning.

Seniors who have completed all GEAC requirements are awarded certificates from Wisconsin’s Department of Public Instruction and PHS. Seniors also wear designated GEAC cord for graduation ceremony. Transcripts will read “Global Scholar”.

German National Honor Society

Advisor: Sandy Nicholson, German Teacher, snicholson@plymouth.k12.wi.us

Students currently enrolled in German 3 and 4 are eligible to apply to join if they have a 3.5 GPA in German and 3.0 GPA overall. Members of this nationally recognized honor society participate in the induction ceremony each year as well as other service projects and German-related activities. 2nd year members can also earn an honor cord to wear at graduation.

German Club

Advisor: Sandy Nicholson, German Teacher, snicholson@plymouth.k12.wi.us

Open to any students currently enrolled in German I - IV. This group will be led by the students who are current members of the German National Honor Society and the goal is to meet 2+ times per month to have cultural experiences. Possible activities will include cooking, watching films, attending outside events, and more.

Green Team

Advisors: T. Henriksen, chenriks@plymouth.k12.wi.us & Bob Mueller, rmueller@plymouth.k12.wi.us

Open to any and all students who are interested in learning how life can be more sustainable by recycling, reusing, minimizing and limiting damage to the environment. Examples of activities include presentations to elementary schools, recycling collection at PHS, promoting food waste composting, attending Sheboygan Co. Sustainability Network meetings, and visiting local businesses.

Hi-Lights (PHS Newspaper - *English credit*)

Advisor: Lucas Cleary, mrclearyphs@gmail.com

Hi-Lights is Plymouth High School's award-winning student newspaper. Rather than an extracurricular activity, it is offered as a class for English credit. The class is open to any students, especially those interested in writing, interviewing, design, business, and leadership opportunities. Hi-Lights staff members generate the program's funding, mostly through selling advertisements for local businesses. This is largely a student-led workshop-style class in which staff members gain experience in various roles from reporters and columnists to photographers and editors. Students may take the class as an elective during their freshman year; many students enroll in the class each year until graduation.

Hockey - WIAA

Contact Person: Coach Keith Bartholomaus

Plymouth is a member of the Sheboygan County WIAA High School Hockey team, the Sheboygan Red Raiders. Additional fees apply. Prior team hockey experience recommended.

Homecoming Committee

Advisors: Mrs. Holec, bholec@plymouth.k12.wi.us

Ms. Hummitsch, mhummitsch@plymouth.k12.wi.us

Homecoming committee begins to meet in the spring. We meet throughout the summer and fall until homecoming commences. Leadership opportunities are available as chairs and co-chairs of smaller committees, such as dance, Parade, Pep rally, etc. This is a student led activity with adult advisors.

ITPC - Information Technology Professionals Club

Advisors: Mr. Bunyea, sbunyea@plymouth.k12.wi.us; Mr. Zolp, kzolp@plymouth.k12.wi.us

Meeting every Thursday from 2:45 to 3:45 p.m., October through May. We have hands on labs with computers, servers, and networking. We will get to see the inner workings of LCD projectors, laptops, streaming media servers, and the Deep Web. Open to all students who have an interest in technology.

Math Team

Advisor: Jeremy Ross, jross@plymouth.k12.wi.us

The PHS Math Team is a club open to all high school students with an **interest** in math and a desire to be challenged and to compete against others. The team meets primarily in the fall during advisory time, and participates in 2-3 competitions each year. Team members also help in the planning and running of the annual Pi Day Fundraiser and assembly. With an annual membership of 60+ students, it is a great way to meet new people and have fun while making connections that will last throughout your high school years!

Math Tutoring Program

Advisor: Mr Coley, dcoley@plymouth.k12.wi.us

The Plymouth High School Math Tutor Program has been serving students for many years. We typically have 30 students tutoring their peers during study halls, before and after school.

The Math Tutor Program is designed to be flexible, depending on the needs of each student. Each student who requests a tutor is matched up and guided through the process by Mr. Coley and the student's math teacher.

Any student who would like to request a tutor or is willing to be a tutor should complete the appropriate form and return it to their math teacher.

Model United Nations

Advisor: Brad Smudde, bsmudde@plymouth.k12.wi.us

Plymouth High School Model United Nations is a program that opens students up to the world of global politics. Club delegates participate in Model U.N. conferences around the state where they try to solve the world's most pressing issues. Delegates research, write, and debate an issue as part of a simulation as a particular country and during simulation work to pass resolutions. This is a great look into how governing works on a global scale along with encouraging the best and brightest to solve problems we face today and the future.

National Business Honor Society

Advisors: Todd Williams, towilliams@plymouth.k12.wi.us

June Winkel, jawinkel@plymouth.k12.wi.us

The objectives of the National Business Honor Society are to promote and recognize academic achievement in business education at Plymouth High School; foster and

recognize leadership skills and character development; help members grow ethically and socially by promoting and encouraging an interest in business; and encourage member involvement in service learning initiatives. To qualify to complete an application for membership, a student must be a high school junior or senior; have completed or be currently enrolled in his/her third semester of a business course; and have a minimum standard GPA, on a 4.0 scale, as follows: business courses average-3.5; overall average-3.0. Selection for membership is based on outstanding scholarship, and a student's ability to demonstrate good character, leadership experience, and service to others.

NHS – National Honor Society

Advisor: Jack Daniels, jdaniels@plymouth.k12.wi.us

The National Honor Society is an organization that recognizes high school students who are well-rounded in the areas of scholarship, leadership, character, and service. Students with a cumulative GPA of 3.4 or higher go through a selection process during the spring of their Junior and Senior years in which they complete a portfolio elaborating on their accomplishments in the areas of leadership, character, and service. A faculty council reviews the portfolios and from them selects new members. New Junior and Senior members are inducted into the National Honor Society in April. During the school year, the National Honor Society puts on a dodgeball tournament and food drive. In addition, its members are required to perform service projects throughout the year.

Northern Kettle Moraine Nordic Ski Team

We come together to learn good classic and skate ski technique, stay in shape, compete as a team, learn

how to wax, meet other skiers, and to have FUN!

PRACTICES: Monday, Tuesday and Thursday evenings (and some Saturday mornings when the team is not

competing at meets) **beginning in November.** Practices will be held primarily at the Greenbush Trails. There may some practices held at other locations such as Nutt Hill, Plymouth,

Sheboygan Evergreen Park or Maywood. We may also need to travel to find snow if necessary.

SKI MEETS: Saturdays & Sundays, Dec. thru March. See 2016-17 schedule. Skiers are able to determine the amount of their own 'playing time'- the number of meets in which a skier competes is optional. **However, skiers are expected to participate in the team's only home meet, Greenbush Challenge in January.**

VOLUNTEER Head Coach: Steve Scharrer swscharrer@gmail.com , (920) 889-3279 (cell), (920) 467-8377 (home)

COACHES: Asst. Coaches: Terry Knier, Tom Brown, David Nagode, Jim Hertel, Brian Henriksen, Dave Boll, Alex

Kleiber, Karen Rhyan. Ski team alumni may also be available to assist during their college holiday break.

Panther Tech and Engineering Club

Advisors: Jake Sherman, jsherman@plymouth.k12.wi.us

Greg Gritt, ggritt@plymouth.k12.wi.us

Beau Biller, bbiller@plymouth.k12.wi.us

The Plymouth High School Tech Club is a group that meets throughout the year October-May working on a variety of different projects pending on the year. We have participated in many different activities Project Grill, Formula Student, High Mileage Vehicle, Beat the Heat, and many Community Service Projects. We work as a group to problem solve and take projects from conception to completion.

Advisors - Beau Biller, Greg Gritt, and Jake Sherman.

PAW

Advisor: Brad Feick, bfeick@plymouth.k12.wi.us

Poets and Writers (PAW) is a creative writing club where students of all grades and abilities participate to write, share, and critique one another's work, which range in styles from short stories and flash fiction to poetry and novel excerpts. **Meetings are held during advisory period on Tuesdays.**

Peers 4 Peers

Advisor's: Kay Tharp, ktharp@plymouth.k12.wi.us

Jodi Timler, jltimler@plymouth.k12.wi.us

The mission of the Peers 4 Peers club is to lend a helping hand to others--especially within our school and Plymouth community. If you are someone who enjoys making a difference and values a kind and respectful school community, this is an opportunity for you to do so! We meet the third Tuesday of the month during advisory.

Photography Club

Advisor: Amy Bogenschuetz, abogensc@plymouth.k12.wi.us

Photography club is for students who have a passion for photography. The purpose of the club is to have a place where students who are interested in photography can enhance their skills and share their photos. We have monthly photo contests, scavenger hunts and opportunities to learn. From beginners to advanced, if you love taking photos, this club is for you! We meet in person and do lots online, too.

Prom Committee

Advisor: Mrs Strong, mstrong@plymouth.k12.wi.us

Quite simply, Prom committee plans the junior prom. The junior class officers are in charge of the three main committees: Advertising, Theme, and Decorating. Those committees are then broken into smaller ones as needed per the size of the group. The committee meets during homeroom time and occasionally (now it will have to be more than occasional) before or after school and on the weekends.

Robo Riot Robotics

Contact: Dan Schlagenhaft, dan.schlagenhaft@kohler.com, (920) 946-1545.

Robo Riot robotics is Sheboygan County's premiere FIRST High School robotics program. The mission of FIRST is to inspire young people to be science and technology leaders, by engaging them in exciting mentor-based programs that build

science, engineering and technology skills, that inspire innovation, and that foster well-rounded life capabilities, which include self confidence, leadership, and communication.

- Program is open to all high school students in Sheboygan County Grades 9-12 for students age 18 or younger.
- There is a no cut policy, but a minimum 50 hours of student participation during the build season (Jan-Feb) is required in order to be eligible for the regional competition.
- Fees include, 1) \$40 registration fee and 2) \$60-80 fee to attend regional competition (3-day event) in Milwaukee.
- Student/Parent informational meeting to be held during 3rd week in September, 2014 at Sheboygan Falls High School.
- Pre-season meetings will begin in early November, meeting times and date to be determined

Science Tutoring

Advisor: Mrs. Carrie Pieper; cpieper@plymouth.k12.wi.us

The Plymouth High School Science Tutor Program has been serving students for many years. Typically student volunteers tutor their peers during study halls, before and after school.

The Science Tutor Program is designed to be flexible, depending on the needs of each student. Each student who requests a tutor is matched up and guided through the process by Mrs. Pieper and the student's science teacher.

Any student who would like to request a tutor or is willing to be a tutor should complete the appropriate form and return it to their science teacher.

Boys Soccer Booster

Co-Chair President: Amy Haese and George Kulow

"PHS Soccer has a rich history of conference titles and long playoff runs that have culminated in WIAA State berths (Boys - 2002 and 2010; Girls - 2000) and a State Championship (Boys 2003). As the only Booster Club that shares its resources among the Girls & Boys Soccer teams, we are proud to support the PHS SOCCER program. Please come cheer on the boys this fall and girls this spring at Panther Field, located behind Horizon Elementary School.

If you are a high school student interested in trying out for the teams, boys practices begin on August 14th and the girls practices begin March 19th Please go to the Plymouth High School website (www.plymouth.k12.wi.us) and click on the tab *Athletics*. You will be able to download the necessary forms to play.

Spanish National Honor Society

Advisor: Mr.Herrera roherrera@plymouth.k12.wi.us and Mrs. Koebel lkoebel@plymouth.k12.wi.us

"Sociedad Honoraria Hispánica" is a national organization for honor students who have excelled in the study of the Spanish language. Eligible students must be enrolled in Spanish 4 and have earned an accumulative grade point average of 3.4. They must

demonstrate interest in continuing the study of the Spanish language and culture and be in good standing in the Spanish department.

Student Council

Advisor: Dan Lamb

dlamb1@plymouth.k12.wi.us

Student Council acts as a liaison group to air any student issues with administration, and we work to promote activities that benefit the PHS student body, and the Plymouth community.

Swim & Dive Team – Boys

Coach: Clare Sedlacek, csedlacek@plymouth.k12.wi.us

The PHS Boys Swim & Dive Team is open to all interested young men who have an interest in swimming or diving. No previous competitive swimming or diving experience is required and no cuts are made.

All swimmers and divers will have an opportunity to participate in all dual or triangular meets. Varsity divers and swimmers compete in weekend invitationals.

Team Meeting Monday, October 30th @ 3:00, immediately after school. Parent Meeting, Monday, November 13th @ 6:00.

Practice begins Monday, November 13th, all swimmers and divers must a blue card before they are allowed to practice. Afternoon swim practice is daily from 3:00-5:00 pm, morning practices will be discussed at the Team Meeting. Dive practice is daily from 5:00-6:30 pm.

Swim & Dive Team – Girls

Coach Dave Coley email: dcoley@plymouth.k12.wi.us phone:920 893-6911 ext.1566

The PHS Girls Swim & Dive Team is a Fall sport and is open to all girls interested in the sport of swimming and diving. There are events for athletes of all ability levels. Practice commitments are afternoons Mon. through Fri. and morning practices for veterans Mon through Thur.

Team Panther

Advisors: Jason Jaeckels, jjaeckels@plymouth.k12.wi.us and Tracy Holdridge, ttholdri@plymouth.k12.wi.us

Team Panther members are upperclassmen who receive leadership training to help with incoming freshmen as they transition from eighth grade into high school. The upperclassmen help introduce the freshmen students to the high school on the night of freshmen orientation and on the first day of school. Team Panther members are also placed into freshmen-only study halls and help set a positive example of how to appropriately use free-time. Finally, they assist the freshmen in their study hall with getting used to the community and culture of Plymouth High School.

Track & Field

Contact person: Jay Grosshuesch, jegrossh@plymouth.k12.wi.us
893-6911, ext. 1580. (c) 920-918-2037

Track & Field is a spring sport for both high school girls and boys. The sport involves both track (sprint, mid-distance, distance, hurdles and relay races) as well as field (shot put, discus, jumps and pole vault) events. The sport has an event for just about every size and ability of athlete. Track and field does not have cuts or a bench--all athletes participate in every meet. Practice begins **March 5**.

Trap Shooting

Contact Mark Thieme @ mthieme@wi.rr.com
920-946-7328 & Julie Behr

Practices start 2nd Monday in February (every Monday till 2nd Monday in May)
Competition starts first Saturday in March and goes to third week in May. Kids 12 & older can join. Everyone's part of the team no one is cut.

The Sheboygan County Trap Shooting program emphasizes safe gun handling, responsible recreational shooting, and accountability for your actions. Team concepts, camaraderie, and self esteem are a valued end product for all participants. Like all interscholastic sports, members of the Trap Team are expected to abide by the sports "Code of Conduct."

Video Game Development Club

Advisor: Jack Daniels jdaniel1@plymouth.k12.wi.us

Video Game Development Club is a club designed for students interested in the design and creation of video games. Members work together to develop games by combining their talents in art, storytelling, problem solving, and computer programming. All students with a passion for making video games are welcome to join.

WeACT

Advisor: Laura Koebel lkoebel@plymouth.k12.wi.us

Meeting times: Choose either Wednesday at 7:15am or 2:45pm in B225

WeACT is a club dedicated to local and global service projects. Students in the club actively participate in various campaigns throughout the year to help create positive change in our community and world. Creative fundraising efforts (lock-ins, craft sales, dances, pledge drives, food drives) go to support global goals and local charities.

WeACT club looks to encourage and empower youth to be the difference they want to see in the world. ALL students are welcome!

Wrestling

Head Coach: To be hired.

Dear future wrestlers- Come join a fun competitive program that includes all different weights heights and sizes. The wrestling program has a no cut policy that allows all students to develop at their own pace. We do check grades and work with the community throughout the year.
